

MICHIGAN STARS LIGHTNING UNIFORM ORDERING INSTRUCTIONS

First, click [HERE](#) to create or access your Soccer World account.

- 1) Locate and click on your **team name**.
- 2) Enter your designated team password that was emailed to you by your manager or coach.
- 3) Click on your child's name.
- 4) Select the appropriate size for each item from the drop down and enter the desired quantity in the text box, then click the "Add to Cart" button. Items in your cart will appear on the left side of the page. Once an item has been added to the cart you may order the same item in a different size or color if needed.

Items under the **RED** bar are required. You will not be able to checkout until at least one of each required item has been added to the cart. All required items have a default quantity of one (1); this can be increased if desired.

Items under the **BLUE** bar are optional. All optional items have a default quantity of zero; a quantity must be entered in the text box if you wish to order any of the optional items.

If your player currently has a Nike Lightning backpack or warmup pants then ordering these items is optional. If you don't own a Nike Lightning backpack or warmups you need to include these items in your order.

If you are ordering for more than one child, you must place each order under each individual child's name and designated team.

- 5) Orders must be completed on or before JUNE 30th.
Please note that you will not be able to access the system after this date and you run the risk of receiving your uniforms late if the order is not submitted by the aforementioned date.
- 6) Choose a username and password you can remember. This will be used at checkout anytime you place an order with www.soccerworld.net
- 7) When prompted, please enter the appropriate billing/shipping information. You will then be asked to review the order and submit it if correct.
- 8) After your order has been completed, you will receive an email confirmation receipt. Please save the receipt for your records.
- 9) Your manager will pick up the uniforms from Soccer World when they are ready.
